In modern mysticism, the infinity symbol has become identified with a variation of the ouroboros, an ancient image of a snake eating its own tail that has also come to symbolize the infinite, and the ouroboros is sometimes drawn in figure-eight form to reflect this identification—rather than in its more traditional circular form.. In the works of Vladimir Nabokov, including The Gift and Pale ...

Eternity makes a brief appearance in the X-Men animated series episode "Dark Phoenix". Eternity appears in Silver Surfer, voiced by John Neville. In this show, the entity is explicitly referred to as male, serves as an observer, and is the brother of Infinity. Film

Eternity (comics) - Wikipedia

Infinity itself looks flat and uninteresting. Looking up into the night sky is looking into infinity—distance is incomprehensible and therefore meaningless. The chamber into which the aircar emerged was anything but infinite, it was just very very very big, so big that it gave the impression of infinity far better than infinity itself.”
