No example serves better to drive home the main point: going into a year of unprecedented levels of political fragmentation, the main risks for

business in Europe are inaction, incrementalism, and overall lack of policy coherence. In 2017, uncertainty remains the only certainty.

Political Fragmentation Rising in Europe - Teneo

So far, however, only a few studies on land fragmentation in a Central and Eastern European context have been conducted (Sabates-Wheeler, 2002, Van Dijk, 2003a, Van Dijk, 2003b) and no comprehensive overview of the coherence between the chosen land reform approach and land fragmentation has been presented.

Land reform and land fragmentation in Central and Eastern ...

Networks implementing these iterative steps exhibit development from an initial random configuration to modular small-world configurations (Gong and van Leeuwen, 2003; van den Berg and van Leeuwen, 2004; Rubinov et al., 2009b) But as it turns out, both the consistent build-up of connective modularity on one hand, or the loss of structural coherence due to functional fragmentation on the other ...

partial coherence has arguably increased through time due to institutional fragmentation, i.e. de-coherence. Most tasks for water management, including flood management and main-taining water quality, were concentrated in the Regional Water Authorities in the 1970s. Consequently, England actually had more integrated forms of water resources man-
