This is the reality I live in now. But I was not born peaceful. As a teenager I was restless. My mind was always busy, and never content. I was easily disturbed, and would often overreact when triggered. I also struggled with being bullied. Things started to change when I found meditation—and all its wisdom teachings—as a 15-year old.

### Live and Dare: Meditation, Self-Discipline, and Spirituality

When you are optimistic, you tend to live a more fulfilling life and a less stressful life. When you dwell on the positive, it will only attract more positive ones. The difference in the way we live be it good or bad, all depends on how your mindset is and how positive or negative state its in. 4 Ways How Optimism Affects Happiness
