"School nursing is an area of practice that is unique, complex and challenging. It is often practiced without immediate in-person consultation and support, and is governed by both state and federal laws." Typically, school nurses are isolated in the schools with no peer group to counsel with, principals that may not know what they do, and may not view them as essential to education.

Florence Nightingale / ' n aɪ t ɪ ŋ g eɪ l /, OM, RRC, DStJ (12 May 1820 - 13 August 1910) was an English social reformer, statistician and the founder of modern nursing. Nightingale came to prominence while serving as a manager and trainer of nurses during the Crimean War, in which she organised care for wounded soldiers. She gave nursing a favourable reputation and became an icon of ...

## **Florence Nightingale - Wikipedia**

As for Europe, the nursing profession flourished when, in 1860, Nightingale opened the very first nursing school in London, which was known as the Florence Nightingale School for Nurses. This helped to pave the way for more and more schools being founded and opened officially for prospective nurses to receive actual training and education for the field they were entering, thus providing roots ...
