When we consider this in light of Nietzsche's observation on God and grammar, a rather grim truth becomes evident: The abolition of grammar merely changes one authority for another. The old God might be held to his (pardon the phrase) word, as reflected in reality. The new gods are but raw power writ large, unattached to anything beyond ...

The subject of a sentence is a person or thing that performs the action of the verb.. Subject pronouns are used to replace the subject (person or thing) of a verb.. We do NOT normally say: John is tall and John is intelligent. Saying the word "John" twice is repetitive and does not sound natural.

Subject Pronouns English Grammar

The word el (singular) is a standard term for "god" in Aramaic, paleo-Hebrew, and other related Semitic languages including Ugaritic. The Canaanite pantheon of gods was known as 'ilhm, the Ugaritic equivalent to elohim. For instance, the Ugaritic Baal Cycle mentions "seventy sons of Asherah". Each "son of god" was held to be the originating deity for a particular people (KTU 2 1.4.VI.46).
