Weaving is a method of textile production in which two distinct sets of yarns or threads are interlaced at right angles to form a fabric or cloth. Other methods are knitting, crocheting, felting, and braiding or plaiting. The longitudinal threads are called the warp and the lateral threads are the weft, woof, or filling. regarding the recent Arizona forensic audits, the Lord reminded me of a dream I had five years ago about a LYING SPIRIT at work in our nation. As Christians, it's hard to fathom that any well-known public leader would actually lie to us - on purpose. We're supposed to think the best of others, not the worst. And yet, we are seeing it now, front and
